**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents

Alexandria, VA 22313-1450

The statement of reasons for allowance mentions numerous implementation details that are not recited in the independent claims—and in some cases, are not recited in *any* claims. Applicants assume these details are provided merely as examples of additional features not found in the prior art, and not as an indication of what is required by the claims.

Respectfully submitted,
